**A FITNESS ARCADE PRODUCT**

## DDR Dance Competition Platform

Our competition level DDR platform is the ideal platform for use in Schools and low traffic commercial settings. Perfect for stacking and carrying from room-to-room.

- ▶ Platform base is 3/4 inch milled and fabricated Polyvinylchloride (PVC). The result is a non-allergenic 'zero warp' liquid resistant/ water proof base material designed for years of use in the pro-ed setting. Custom molded handles add convenience for students and teachers alike.
- ▶ Shatter-proof polycarbonate/composite vinyl protection for decal graphics.
- ▶ Dust and liquid resistant polycarbonate under lay protects switching surfaces from playing surface debris.
- ▶ In-line electronic interface cables.
- ▶ Instructions and general platform maintenance information is included.
- ▶ Box size: 44L x 44W x 6H, 45 Lbs
- ▶ Platform Size: 35W x 37H, 40 lbs
- ▶ 350 lb user weight capacity.
